Christmas Parade

***It is a new year,  
but the pandemic  
persists...***

***Join with others for a fresh, Biblical, thoughtful, and helpful perspective from noted scholar, N. T. Wright, in his book "God and the Pandemic, A Christian Reflection on the Coronavirus and Its Aftermath."***

**Please join Rev. Herrin for a 4-week discussion by either of these options:**

**Thursday, January 21<sup>st</sup>, in person at 6:30pm** in the parlor (following all safety protocols)

**Thursday, January 21<sup>st</sup>, by zoom at 4pm**

Please contact Christy to participate in either group at [lpcoffice1@hargray.com](mailto:lpcoffice1@hargray.com)

Participants can purchase their own books, or contact **Christy by noon on January 11<sup>th</sup>** to be included in an order from the church. Cost will be \$10.

If neither option works for you, e-mail Christy at the office, and given enough interest, we will attempt to create another group of either kind.

N. T. Wright is professor of New Testament and early Christianity at the University of St. Andrews, Scotland and senior research fellow at Wycliffe Hall, Oxford. He is a widely read and respected scholar and author of over 80 books.

***Justin Welby, Archbishop of Canterbury writes, "This is a classic N. T. Wright. It is accessible to almost anyone asking questions, and yet manages to be demanding for those who think they know answers. It is superbly written, utterly Bible based, and leaves on satisfied at having learned and yet wanting to know more."***

**If you can't join, read the book and talk with someone about it.**

## A Lenten Prayer Group

Join Pastor Stephanie through the Lenten season on Thursdays at 8:00am via Zoom for a brief time of prayer and reflection on scripture using *lectio divina*, **beginning February 18th**. *Lectio divina* means "Divine Reading" in Latin and is an ancient form of meditation, prayer, and scripture reading based on hearing scripture read aloud. Come when you can and as you are! No preparation required, only a willingness to listen. Please arrive and exit quietly. These gatherings will last approximately 15-20 minutes so be sure to arrive on time. Coffee is permitted. A Zoom link will be sent via e-blast on Tuesdays.

## More Lenten Opportunities to Come!

A lenten devotional will be available for pickup mid-February and other lenten studies and worship opportunities for lent are on the horizon. Lent begins with Ash Wednesday on February 17th and we hope you will join us for this 40-day reflective season as we draw near to God together.

## The Peace of Christ to You!

We've just celebrated the arrival of the Prince of Peace, and perhaps we feel that peace, at times, but it's certainly a challenge right now. I ran across these words of Bonhoeffer and thought they might be helpful as we begin this year.

*With the birth of Jesus, the great kingdom of peace has begun. Is it not a miracle that where Jesus has really become Lord over people, peace reigns? That there is one Christendom on the whole earth, in which there is peace in the midst of the world? Only where Jesus is not allowed to reign-where human stubbornness, defiance, hate, and avarice are allowed to live on unbroken-can there be no peace. Jesus does not want to set up his kingdom of peace by force, but where people willingly submit themselves to him and let him rule over them, he will give them his wonderful peace.*

I also offer to you this ancient celtic blessing:

"Deep peace of the running wave to you  
 Deep peace of the flowing air to you  
 Deep peace of the quiet earth to you  
 Deep peace of the shining stars to you  
 Deep peace of the Son of Peace to you."

In 2021 may we be people who seek and receive Christ's peace and share it in a world that is desperate for it.

In Christ,  
 Chris

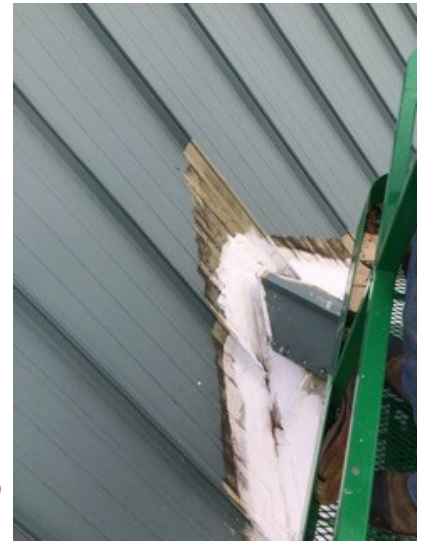

## **LPC ROOF AND GABLE REPAIR IS COMPLETE**

Next time you are near LPC, check out the roof repair which has been completed with the gables also being repaired. We were very fortunate during the recent hurricane season not only because we weren't hit, but also because we eventually got a company that completed the job very satisfactorily. The work started November 2, 2020 with four workers who accumulated 635 man-hours. The total cost for the project at \$59,160. With a project of this magnitude we are indebted to Tom Bloom for his financial guidance throughout the entire life of this project.

The people involved in making this happen goes back 3-4 years while John Preston was the Elder for Building and Grounds. He found BDR construction and consulting company in Hickory SC who repaired one leaky gable and worked up a quote for the roof repair using a drone camera detailing the work to be completed. The Session approved the project and a substantial down payment was made this March with a scheduled mid-summer 2020 start.

John had completed his Session term and Stuart Kimble was the new leader for B&G. Sadly, Stuart's untimely death left a vacuum. Bob Lowry agreed to step in and was faced with a company, who could not live up to the agreement. They recommended HB Construction and forwarded their information to that company. Herman Burger the founder and President of HB Construction specializing in steel buildings, agreed to come to Bluffton and discuss the project with Wim Tekelenburg. After the meeting, Wim felt confident HB was a good choice. We had the original down payment returned and the Session unanimously approved the project.

Wim bird dogged the roof project from beginning to the end. During the repair, it became apparent the four dormers also required repair and Wim and Bob were given a ride in the boom bucket lift to see. As a result we requested a proposal to repair the dormers while we had the company on site. The Session approved the dormers and HB, after completing the roof, fixed the dormers. We also had them power wash the roof and it looks like a new roof!

Since then the sanctuary chandelier has been repaired as we are now confident the roof and dormers won't leak. Thank you to all involved and to you the congregation for your faithful giving which has made this repair possible.

## Bible 101 Class

Want to brush up on your Bible knowledge?

Want to learn Bible basics for the first time?

Ever wonder how our Bible came to be?

Then Wednesdays from 4:00-5:30pm in front of your computer or Tablet is the place to be. Starting **February 3-March 10**, we will be offering Course 1 from **Exploring The Bible: The Dickinson Series** (Massachusetts Bible Society) via Zoom. Course 1 is a broad overview of the Bible touching on how the Bible is organized, how certain texts were chosen to be included, various ways to interpret those texts and the archaeological settings of some of the Bible stories.

There is some reading involved by the participants, but don't be concerned because the chapters are relatively short. The cost of the book *What is the Bible* is \$11.00 and can be purchased through Amazon, or order one through the office for \$12 by January 22nd at noon.

After we have completed the overview of the Bible course, we will then be offering overview courses on the Old and New Testaments. These classes will also be on Wednesdays at 4:00pm.

Can't make it but want to attend? Contact Stephanie who is willing to offer another class!

Purchase the book on your own (You can find it on Amazon, pick it up at Barnes and Noble, or listen to it on Audible), or buy a book through the church office for \$16.00. If you need to purchase a book through the church (call or email the office), please do so by January 25th at noon. Be sure you are making your request with enough time to read the book.

You may join at 4pm or 7pm via Zoom on both Thursday, Feb. 4th and 11th. A Zoom link will be sent closer to the scheduled date. Pick the time that works best for you!

## MUSIC MINISTRY

**Happy New Year: 2021!** May this new year bring blessings of health and happiness to everyone at LPC. Thank you to all the musicians who have added so much to the services during the quarantine of the past nine months. We appreciate the incredible weekly musical offerings of Karen Ball, members of the Chancel Choir, and the Jubilate Ringers. Thank you to Jerry Anderson and Dale Nordby who contributed so much to the special music each month. We would also like to thank Pastor Stephanie, Bob Lowry and Chuck Thomas for all of their dedication and work video taping and live-streaming the services. You kept us going when the virus shut things down. We continue to remember Stuart Kimble who we lost to the virus back in March. He and his family will always have a place in our hearts.

I found this prayer "***For hope after a hard year***" and would like to share it with you as we say good bye to 2020 and look to a new year.

*Prayer for 2021: Heavenly Father, help us to remember that the gift of Christ, Immanuel, is our greatest treasure, not just at Christmas, but for the whole year through. Fill us with your joy and the peace of your Spirit. Direct our hearts and minds towards you. Thank you for your reminder that both in seasons of celebration and in seasons of brokenness, you're still with us. For you never leave us. Thank you for your daily powerful presence in our lives, that we can be assured your heart is towards us, your eyes are over us, and your ears are open to our prayers. Thank you that you surround us with favor as with a shield, and we are safe in your care.*

*We choose to press in close to you today, and keep you first in our hearts and lives. Without you we would surely fail, but with you, there is great hope. Thank you for your healing power, thank you for bringing us into this new season up ahead. We look forward to all that You still have in store. In Jesus' name, Amen.*

**NOTE:** Chancel Choir and Jubilate Ringers will not meet during the month of January, just to be on the safe side. We hope to start up again in February if the virus starts to get under control again, although we will continue to mask and stay safely distanced.

## *Change Can Make A Change for January is Red Cedar Teacher Appreciation*

At Red Cedar Elementary School their vision is *"We will do whatever it takes to ensure all students find success."* The teachers have continued with their mission to educate in spite of the pandemic against some formidable obstacles.

We are requesting donations again this year to purchase gift cards to help give back to the teachers. For Valentine's Day we will present each Red Cedar teacher with a \$20 gift card as a thank you for their efforts. To support this endeavor, please write checks payable to LPC with "Red Cedar" in the memo line and either mail it to LPC or drop it off at the church office. Please be a part of this heartfelt effort to support our Red Cedar teachers! Thank you from the Mission and Outreach Committees.

### **THANK YOU TO EVERYONE WHO CONTRIBUTED GIFT CARDS AND MONEY TO OUR ANGEL TREE THIS YEAR.**

While we operated our Christmas tradition this year in a very different way due to the pandemic, you really stepped up to the challenge and were absolutely amazing! We were able to donate to Agape enough to provide the parents of 140 children a \$25 gift card per child to use for gifts or food if needed. We also provided each family with a bag of oranges and apples. Their drive through distribution event for registered families happened on Saturday, December 19 and also included a toy per child from Toys for Tots. Any money that we collected from CCMAC throughout December (after Angel Tree gift card purchase) will be sent to Agape in early January for their emergency fund for families. The CCMAC plus donated gift cards equals over \$4,000! We received the following from Dr. Ponchitta Young at Agape when she received our cards and fruit:

*"Oh my God! What a blessing to so many children and families. We appreciate Lowcountry Presbyterian Church more than you know, thank you so much for everything!"*

## *Lowcountry Presbyterian Church, THANK YOU!!*

*Agape Family Life Center's "Feed The Hungry" event held on Saturday Dec. 21, 2020 was a huge success. Many families received toys, gift items, and food. Special thanks to Lowcountry Presbyterian Church (LPC), more than a hundred children received a gift card and more than three hundred individuals received food. What a pleasant way to enjoy the Holiday Season after having such a long and challenging year. Agape Family Life Center is so grateful for the partnership with LPC. Your partnership with Agape provides that added relief to so many Jasper and Beaufort County South Carolina families and children who are often overwhelmed with the uncertainties of having even to meet a few basic needs. Thank you LPC for your actions of love, support, and commitment to help eradicate barriers that so many families face. LPC, Agape Family Life Center thank you for answering the call to help us serve our Jasper and Beaufort County families. THANK YOU! Dr. Deloris M. Young Executive Director **Agape Family Life Center***

We will be packing food bags for *Backpack Buddies* on **Tuesday, January 5th, 12:00 p.m.** at St. Andrews by the Sea United Methodist Church, 39 Persimmon Street. Please let Sandy Benninger, [sbenninger@sc.rr.com](mailto:sbenninger@sc.rr.com), know by email if you plan to help. Food shipments have been delayed in the past which necessitated a time change and Sandy needs to be able to notify everyone about any changes that might arise.

## CHRISTIAN CARING MINISTRY

**Prayerful Stitches** has donated 17 shawls and lap robes to our next door neighbors at *Bloom Retirement Community*. This was done two weeks before Christmas so the recipients could share in the love and warmth of the Christmas season.

We have had a most generous outpouring of beautiful knitted shawls and robes and are very grateful to all of our skilled needle artists. And, of course, we always welcome more as there will always be a need.

## A Helping Hand Ministry

The Christian Caring ministry wants to help with our new Helping Hands Ministry. The goal of this ministry is to offer support and care to those needing assistance with ordinary activities. Some of these might include: helping with groceries, blowing yard leaves, changing smoke detector batteries, or going to the pharmacy, hair salon, or a doctor's appointment. If you need assistance in any way, we want to help! Volunteers are required to observe COVID-19 protocols.

*If you could use assistance in any way or, if you are willing to help please contact Carolyn Welch at [CarolynDobbingWelch@gmail.com](mailto:CarolynDobbingWelch@gmail.com) or (201) 650-4617.*

Approval included the requirement that the Temple follow LPC's coronavirus protective protocols. Further it was noted that only LPC technicians may operate the church's video equipment but that the technicians could provide that service for a fee, subject to their confirmation and availability.
- † Called the Annual Congregational Meeting to follow the 10:30 AM worship service on January 24th. Business to be conducted shall include provision of the Annual Report, approval of changes in the Terms of Call for Pastor Herrin and Associate Pastor Dion and the election of at-large members for the 2021 Church Officer Nominating Committee.
