Membership Ministry

It is around Thanksgiving time, so I am going to talk about being grateful. I am grateful for a wonderful committee that allows us to bring you multiple opportunities to interact with your church community.

A new round of Dine Around groups is starting this month and it allows church members to get to know others in a smaller, more intimate group. Not to mention the great opportunity to try out that new restaurant or one you had always been meaning to try. There are many great restaurants to sample in the area.

We had a great group of eight new members join our church family this fall. We are grateful to them for choosing Lowcountry Presbyterian Church as their church community.

Last month we sponsored an indoor "picnic" that was a great success. Over sixty people joined us for sandwiches, sides, and dessert in Thomas Hall. We distributed some conversation starter topics for people to utilize at their tables to get to know their table mates a little better. And a special bit of gratitude to Debi Franklin who always does such a great job on the table centerpieces.

On December 2 we will have a Christmas potluck in Thomas Hall and ask everyone to bring their favorite Christmas Mug and tell people at the table why it means so much. Using the mug for your beverage of the evening will also help contribute to our efforts as an Earth Care Congregation by reducing the number of paper cups discarded that day. We will have the traditional carol sing along to entertain us and put us all in a festive spirit. Save the date!! December 2 at 6pm.

And last, but definitely not least, there is the Sunday Hospitality Time. Struggling to sign-up hosts to make the coffee and organize the tables for the goodies have led us to consider reducing the number of Sundays we offer Hospitality Time, but a conversation with a friend recently gave us a pause on that idea.

She is a preacher's kid and she mentioned her father had said the people did not necessarily come to church to hear his sermon, but rather for the community the church offers and it is important to have this time. Please, please help us with this fellowship time offered on Sunday after the service. It will only take about an hour of your time to make the coffee and help clean up afterward. There is a sign-up sheet in the Narthex and we need:

- Hospitality Hosts to make the Coffee, organize the table, and clean up afterward
- Bakers to provide or buy the goodies offered each Sunday
- There is also a blue box in the Narthex if you wish to contribute funds for purchase of the goodies.

The current most urgent need is for the Hospitality Hosts. We are grateful to all those who volunteer and would love to have you.

Welcome New Members!

**We had several new members join the LPC family this fall.
We look forward to worshiping and serving together with them.**

Born in 1940 in northern New Jersey, **Allan Barnitt** married Carol in 1965. They had two children: Robb, who lives in California, and Alissa, who lives in Michigan.

Allan worked as a machine operator, plumber, and electronics technician while completing college and graduate school, earning a BA, MS, and PhD. In 2004, he retired as Professor Emeritus of Biology at Assumption University in Worcester, Massachusetts, and as a research scientist. Allan and his wife moved from Oakham, Massachusetts to The Haven (note the missing letter "e" in Haven) in 2011. They began making occasional visits to LPC after their move. They were absent during the most difficult years of her decline from Parkinson's disease. Allan served as her primary caregiver with support from hospice and contracted caregivers. She died at home in September 2024, after 64 years of love.

When he was able, Allan enjoyed hunting, fishing, boating, and DIY projects. Today, he enjoys collecting, writing, reading, painting, photography, and traveling.

Mary Ann Burgeson and her husband Glenn moved here in 1994 in order to deal with his Parkinson's disease more easily. They found this wonderful church soon after and became very active in all aspects of growing the church community and grounds. They both served as Elders. Mary Ann also served as Clerk of Session and was the co-chair of the building committee for the current sanctuary. The congregation helped them deal with a deadly infection Glenn contracted by driving him daily to Beaufort for his infusions. She will never forget the comfort that brought them. Now, she is back and eternally grateful for the loving Christian spirit still found here.

Gail and Bob Dylewski recently moved to Bluffton from Erie, PA.

Gail spent most of her life in northern Pennsylvania, with brief periods in England, Cleveland, and Pittsburgh—none known for year-round warmth. After enduring plenty of snow, they are delighted to be here.

Gail is a retired social worker and educator. Bob retired after more than 45 years as a fleet and commercial sales manager. They have three sons: the oldest lives in Erie, Pennsylvania, and the youngest in the Bluffton area. Their middle son died in a car accident at age 24. They also have two grandchildren: a 19-year-old grandson who is training to become an electrician and a 15-year-old granddaughter who is a high school freshman and accomplished volleyball player. They are excited to begin this new chapter in a warmer climate and embrace a more active lifestyle. LPC has already made them feel welcome, and they look forward to serving through its outreach opportunities.

Welcome New Members!

We had several new members join the LPC family this fall.
We look forward to worshiping and serving together with them.

Sheryl Inglefield moved from Michigan to Bluffton in 1998 with her husband, who passed away in 2023. She lives in Rose Hill and enjoys water aerobics and long walks in Bill Baker Park.

She serves as director of Caring Neighbors, a local charity that helps Bluffton seniors with transportation and other needs. From 2001 to 2015, Sheryl and her husband owned Celebration Supplies on Hilton Head Island, where they met many wonderful residents of Hilton Head and Bluffton.

Catherine and Matt Meeker moved from Orlando to Bluffton in 2022. Now retired, they feel blessed to enjoy the natural beauty of the Lowcountry.

Matt devotes much of his time to golf and also enjoys pickleball. Catherine is an avid reader who enjoys games, qigong, and painting.

They are happy to have found a new church home at LPC.

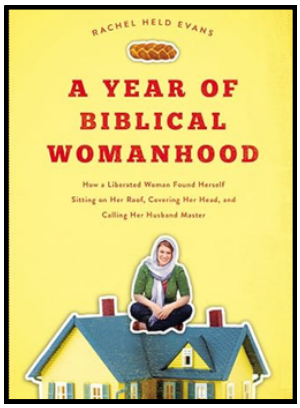

John Metz and his wife Pam moved to Bluffton in 2020, the same year John retired from his career as a process engineer. He has two sons and seven grandchildren who live in Massachusetts.

Over the years, John lived in Pennsylvania, New Jersey, Massachusetts, Minnesota, Wisconsin, and Connecticut. He enjoys driving his Corvette and playing bocce, pickleball, and cards.

Children's Sunday School

In September our children's Sunday school started up again after a summer break and is led by Phyllis Willever. She has been lovingly teaching our children at LPC for about 18 years. Phyllis also has two capable helpers, Marjorie Wilno and Nancy Doran. The children get special one on one attention. Phyllis has a lesson then a craft that relates to it. They have fun creating and always leave her class with big smiles. Our Nursery is year-round and each week we have 2 workers anxiously waiting for children ages 0-3 years old. Each child gets one on one attention as well.

Adult Bible Studies

"Short Stories of God's Presence" – Rev. Johnson leads a discussion group with a different stand-alone short story on the 4th Thursday of each month. This meeting is at 4 pm in the parlor at the main church.

Rev. David Johnson is leading an interesting discussion about the **LORD'S PRAYER**. This small group meets each week on Tuesday afternoons at 1:30 p.m. in the parlor at the main church. This study started Sept. 29 and will run for 8 consecutive weeks.

Adult Sunday School

Each Sunday morning, people gather in the parlor from 9:15 to 10:00 to enjoy a learning experience. Subjects vary from Bible verses to contemporary subjects. You are welcome to visit anytime. Adult Sunday School will continue each Sunday morning during the fall and winter. For more information contact Joe Franklin – jfrankli@georgiasourthern.edu or Bill Walker – kamwheeling@gmail.com

Conversation Study for Men

The 3rd Saturday of each month at 9:00 in the Parlor at the main church, Rev. De Beer and/or Rev. Johnson will lead a casual conversation study for men. All men are welcome for coffee and discussions.

The newly formed "Garden Ministry"

The “circle” directly across from the Sanctuary is part of the Building and Grounds & Garden Ministry beautification. We are grateful for Dennis and Joann Pearsall and their contribution of time, heart, hands, and feet to plant this space to add beauty to the Church grounds.

The Meditation Garden was planted and completed. We have accomplished a great deal since we began in May with the clean up. There are sixteen members of the Garden Ministry who have contributed to the call to service with the beautification project: refurbishing signage, raking, removing debris, pulling weeds, pulling up acorn trees, shoveling, digging holes, amending the holes, research, finding plants, sending soil samples to the Clemson Extension Agent, discussing with the Clemson Extension Agent and Bluffton Master Gardeners, and planting, fertilizing and now watering. It is becoming a real garden which we hope will inspire more use, become a place to meditate, reflect, and pray, and be an additional outdoor space for many occasions. When you are led by the Holy Spirit you just have to go with his flow as he guides, directs, and leads.

The artist, Theresa King, painted the wall in the Impressionistic style of Monet. She worked for four hours and generously gifted her work to us. We thank her for sharing this beautiful gift. This fountain area will be completed next spring with additional plants; some not available now.
Now we will begin to see the fruits of all our labor as the plants grow and flourish and provide color beginning in winter, spring, summer and fall. The Garden Ministry will continue as a Garden Club to meet often and begin to share knowledge, maintain, water, and care for this lovely garden.

My gratitude to all for the support of beautifying this lovely garden space and to all those whose hands, feet, hearts, minds, and souls contributed generously with their time.

Happy Thanksgiving! There is much to be thankful for every day. God Bless you and yours.

In Christ, Brenda Wildt

World Communion Sunday

On World Communion Sunday, October 4th, we celebrated our unity with Christians around the world as we gathered at the Lord's Table. Though we come from different cultures, traditions, and communities, we were reminded that we are one body in Christ, sharing one bread and one cup. It was a meaningful celebration of our shared faith, fellowship, and God's call to love and peace across every boundary.

Deck the Halls: Hanging of the Greens!

Presbyterian Giving Catalog through the Presbyterian Church USA

Again this year, our church will join together with Presbyterian Churches throughout the United States to "Give with a Purpose" through the Giving Catalog. With over 40 gifts to choose from in four cause areas: Provide Clean Water, End Hunger, Sustain Communities or Support Education, you can support families and communities around the globe who need it the most. Some of the popular selections in the past have been goats, rabbits, chickens, piglets, sewing machines, cookstoves, and education scholarships. On Sunday, November 22nd, members of the Mission Ministry will hand out the Giving Catalogs as you exit the church following the Service. Additional catalogs will be available in the Narthex on subsequent Sundays. Within the catalog, there is an envelope for you to place your order form and check made out to LPC. You can place your envelopes in the basket in the Narthex, in the Offering Basket or the office. We will collect your envelopes throughout all the Sundays in December.

Last December, our members gave $3,551. to purchase 41 different gifts from the Catalog. If you would like to give a gift in honor of a relative or friend, Giving Cards will be available at the Giving Catalog Table in the Narthex.

By joining our gifts together, however large or small, we expand our witness to God's gracious and abundant work in the world. Thank you for your support! Any questions, contact Anne Redlus, Missions Ministry Elder at anneredlus@gmail.com or call 843-705-6373.

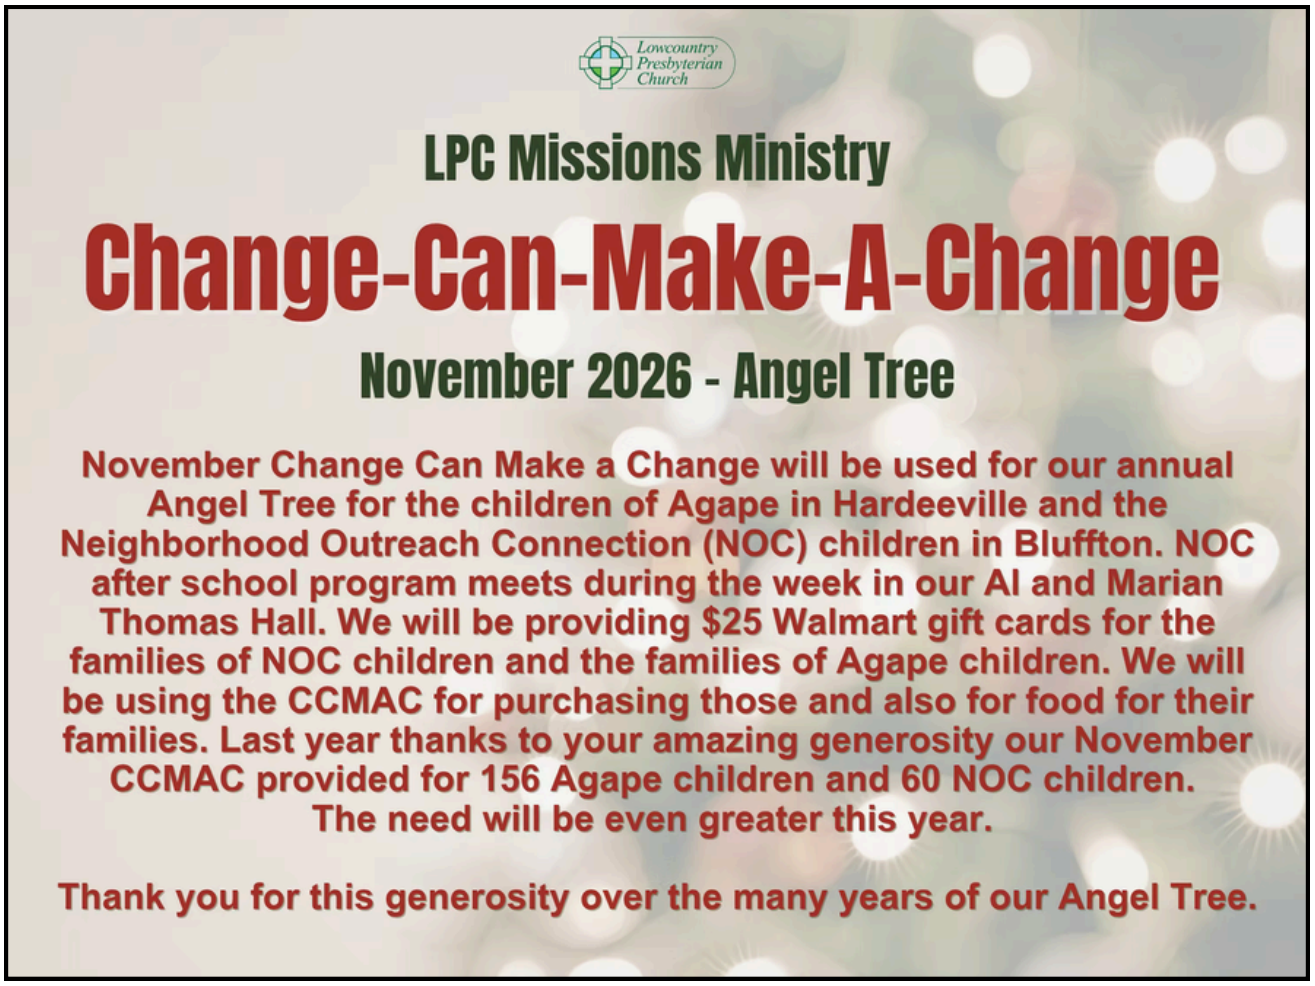

Christmas Joy Offering

Each year in December, our church supports the PCUSA Joy Offering which provides assistance to current and retired church workers in their time of need and developing our future leaders at Presbyterian related schools and colleges equipping communities of color. On Sunday, December 20th, an envelope will be in the bulletin for your use. Envelopes can be place in the offering basket. Checks should be made payable to LPC with a notation "Joy Offering." Thank you for your giving.

Christmas Eve Offering: All Hands and Hearts

All Hands & Hearts works around the world to lessen the physical and emotional impact caused by climate disasters and humanitarian crises. Through direct action, accessible volunteer engagement and strong partnerships, we support communities to respond to, recover from, and build resilience against disasters.

Missions

Angel Tree

The annual Angel Tree will be in the Narthex Sunday, November 15 & 22 with Angels showing the names of books & educational games for 65 children in the NOC (Neighborhood Outreach Connection) who meet during the week in our Al and Marian Thomas Hall. In addition this year, with the proceeds from the November Change Can Make a Change, members of the Mission Ministry will be purchasing the $25 Walmart gift cards for the families of the NOC children and 150+ children that are served by Agape Family Life Center. Instructions for the Angels will be in the eBlast and the bulletins. Since NOC is gifting the children their books, cards and games on December 8 before Christmas break and Agape their gift cards on December 6 it is very important that we receive all wrapped gifts and money by November 29 to give us time to organize. Please pray for these families and children. Thank you for your amazing generosity over the many years of our Angel Tree.

Missions

CCMAC for January will be the American Red Cross Chapter of the Lowcountry

This chapter works in 9 local counties in SC. The Red Cross team is there if you have been affected by a home fire or other disaster, they are there to support members of the military and their families and provide training in lifegiving skills and of course setting up blood drives.

Missions

Walk for Water

Lowcountry Presbyterian Church joined participants from across the Lowcountry for this year's Walk for Water. Thanks to you, a historic high of over $100,000 was raised, providing safe water to communities in desperate need of a most basic resource.

Walkers and volunteers met on Saturday, October 3rd at Bluffton United Methodist Church's "Backlot" for a three-mile walk to symbolize the burden millions of women and children in across the world carry daily to collect water that's often contaminated or in dangerous areas. The weather was threatening rain but held off until after the event was over. The weather served as a reminder that not everybody can choose when to walk to access water and other necessities.

The walk promotes awareness of the desperate need for access to safe water and raises money for Water Mission, a nonprofit Christian engineering organization based in Charleston that builds sustainable, safe water solutions in developing countries, refugee camps and disaster areas. Visit the WaterMission.org to learn. Follow Beaufort County Walk for Water on Facebook and Instagram @BeaufortWalkforWater, and on Twitter #bftwalkforwater.

Music Updates

Greetings from Karen and Robin, Chancel Choir and Jubilate Ringers!

It is wonderful to have the Chancel Choir and Jubilate Ringers back, adding their musical gifts to the Sunday services. There is still time and room for people to join the Chancel Choir. We are always delighted to add new members to the music family at LPC. If you play a musical instrument, please let us know, especially a drummer or bass player. Don't hide your musical gifts. We believe they are meant to be shared in the worship service.

The Advent Cantata will be performed by the Chancel Choir, Jubilate Ringers, and Children's Choir on Sunday, December 13th. The title is: The Story Begins.

On Saturday, December 12th, a final rehearsal will be held at 10:30 a.m. in the Sanctuary.

The Ringers will be playing the Prelude that Sunday: Enduring Joy by Cynthia Dobrinski.

The Cantata will contain seasonal readings and the following music:

- The Angel Gabriel from Heaven Came arr. By Tom Mills (Tenor/Bass Chorus with Jubilate Ringers)
- Kind Joseph by K. Lee Scott (Soprano/Alto chorus)
- Joseph's Song arr. By Christopher Walker (Children's Choir and Chancel Choir)
- The Story Begins: Mary and Joseph's Song by Brad Printz
- Angels We Have Heard on High arr. By Peter Anglea

For the Christmas Eve service at 4 p.m, members of the Jubilate Ringers will play. At the 7 p.m. service the Chancel Choir will sing a Christmas Anthem.

In 2027, the Jubilate Ringers will begin rehearsing on Tuesday, January 5th at 12:30. They will be playing on Sunday, February 14th.

The Chancel Choir will NOT be singing on December 27th or on January 3rd. They will NOT rehearse on Thursday, December 31st. The choir will begin rehearsals on Thursday, January 7 and will sing on Sunday, January 10th.

Member Spotlight:

Karl & Anita Juelch, members of LPC for 23 years, are featured in our Member Spotlight!

Karl & Anita were married August 31, 1958. They have a son, residing in New Jersey and a daughter who has passed away. Karl was proud to say they have 2 granddaughters and 1 great-granddaughter.

Karl & Anita met on a train as they were travelling home for the evening. Anita was the only one on that particular train car, so Karl introduced himself, began talking and had a date before the end of the ride. Their first date was to a Broadway show in New York. Karl "courted" Anita for one and a half years before their marriage.

Karl served in the Army - interesting fact - the Korean War ended 2 days before he was drafted. He was recruited by 2 officers who stated they were monitoring the Russians from Germany – where Karl was stationed. After serving, he received a college degree and made his career in education working as a principal and assistant superintendent. One memory Karl shared of his education was when he was in grade school in New York, when it came time for recess, the children usually went on the roof of their building to enjoy some free time. One particular day, his teacher instructed them to go out of the building and wait on the sidewalk. As his class stood there, a motorcade carrying Theodore Roosevelt passed by. A memorable day for sure!

Anita graduated high school, she began working 3 days after her wedding for Educational Testing Service (ETS) doing clerical work.

After visiting Anita's parents in Florida during the summers, and visiting Anita's sister in South Carolina, Karl & Anita moved to South Carolina around 2000 and have lived here ever since.

They found LPC by chance (I'm sure God had a hand in it) as they drove by one day and decided to try it out. Feeling warmly welcomed and at peace, they made LPC their home church.

Anita served on the Hospitality Committee serving refreshments after church and for funerals. Karl & Anita both participated in bible study with Joe Crowley and more recently with Dave.

During the time of their marriage, Karl and Anita have never had an argument. Anita was adamant for all to know that she has never won the lottery, that she laughs everyday and most importantly, gives thanks to God every day of her life.

Thank You Notes:

I would like to thank everyone for the outpouring of love, prayers and well wishes after fracturing my hip. Time to catch up on my reading! I am being looked after by many people and that includes my wonderful husband! I am grateful I get to be part of a wonderful and loving congregation. Blessings, Wendy MacCarthy

We thank our congregation for the blessing of cards, notes, acts of kindness and especially your prayers for Joan as she heals from a serious eye infection. With gratitude, Bill and Joan Walker

Thank you – I would like to thank everyone for all the beautiful birthday cards helping me to celebrate my 100th birthday. I am so thankful that I belong to a congregation of wonderful and caring members. Many blessings, Virginia Durham

Dear LPC Family, The bouquet of flowers were a lovely surprise! Thank you all for your thoughtfulness and concerns for my health. I am working on getting stronger and hope to see you all soon. Sincerely, Judy Wells

How wonderful is our congregation at LPC? I found out firsthand when I shattered by femur. The cards, the visits, the phone calls, the flowers, all combined to encourage me on my path to recovery. I still have a long way to go but feel the love each day from my LPC family! Thank you! Dede Bush

Dear LPC Members, Thank you for the lovely flowers and visits. John is improving and we hope to have him home soon! Fondly, Edith Rea

"Thank you" doesn't adequately express our thanks for the moral support, prayers, cards and the many other ways you affirmed your presence in our lives during the past 8 weeks. We appreciate every one of you, and love you! Sincerely, Danie and Annette
